To whom it may concern,

This is to confirm that Mr Peter Turcovsky from Red Rose carpet cleaning, has been looking after our business cleaning maintenance and we have nothing but good feed back about him.

Peter has been very good every time he did our carpet, he always had to courtesy of calling us as a reminder when our carpet was due for cleaning, and every time he cleaned he did a great job.

I would recommend Peter to any one without any hesitation.

Regards
